Did you text Kathryn? She said something about you getting upset or something? I don't need this right now. 17:45:38

What she did was totally inappropriate
Im not going to sit by while
this happens to me again 17:46:20

It wasn't like that at all. She's just trying to do her job 17:47:08

Oh so youre on her side huh? That seems
about right
I dont even understand why you have a woman
for a trainer, if you really cared about making a
change youd know thats not going to fly
with me 17:49:18

I know you're upset, but I'm just trying to focus
on tonight and do what I have to do.
Please trust me. 17:50:38

I dont trust you and you know why 17:50:59

I know. I can't undo the past and that's my fault.
But all I want is the best for us going forward. I
promise we can talk about this after
tonight. 17:52:03
